“Welcome to November 2021 edition of the Old War Office Construction Newsletter, providing an update on the works taking place behind the hoarding at 57 Whitehall

Overview of Progress in October 2021

We continue to implement measures to control the risk of C-19.

The external façade restoration / alterations continue. Scaffold erection will continue around building on Whitehall and Whitehall Place.

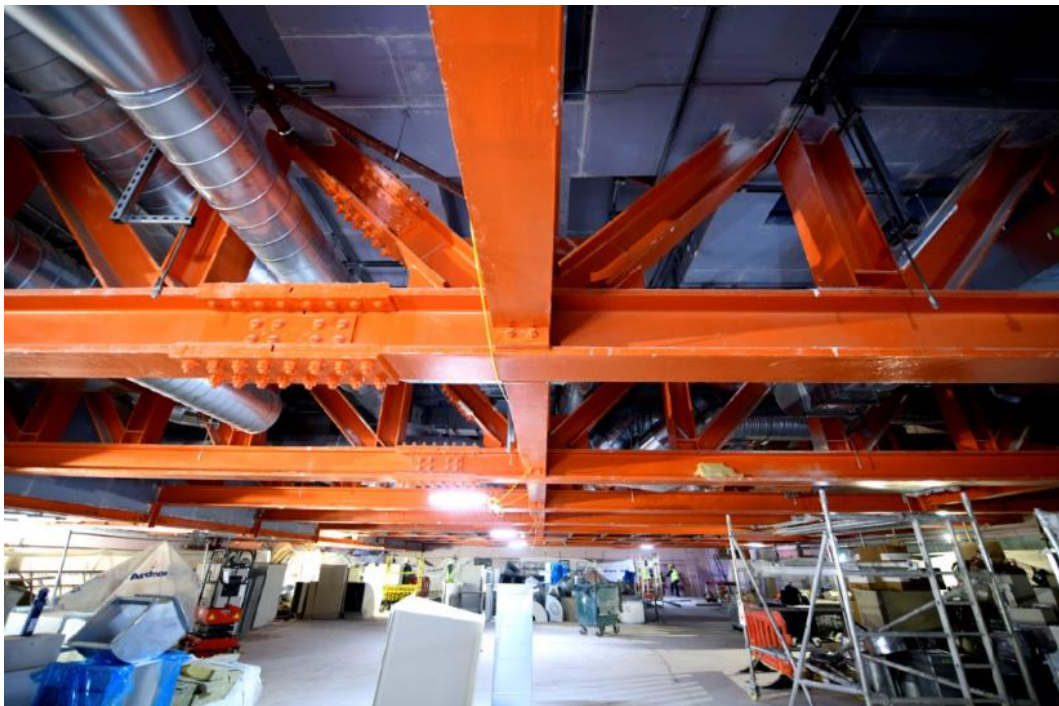

Installation of new Portland stone continues at roof level.

The internal fit out of the Hotel guestrooms is proceeding to plan.

Fit Out of the 85 residential apartments is proceeding to plan.

Work is proceeding to plan to fit out of the Hotel Spa.

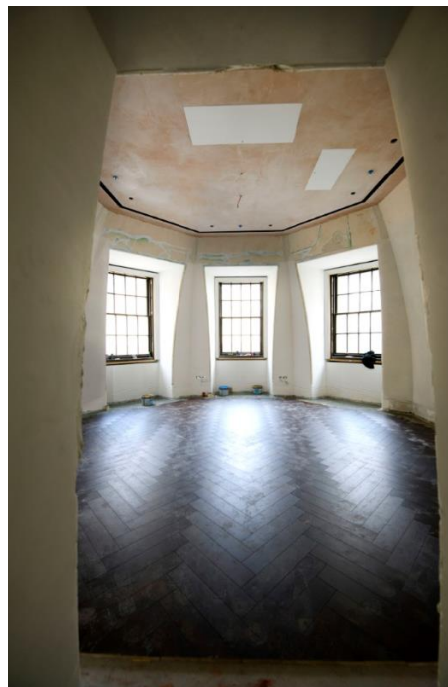

Mechanical and electrical service installation works are ongoing within the Plant Rooms located in the basement levels. Works continue with the installation of the passenger and goods lifts including the new Car lifts.”

Level 2 Hotel Fitout

Upcoming Works – November 2021

The site remains very busy and key items and dates for elements of works for November 2021 are as follows:

- ✓ Ongoing works inside the building for Fitout of hotel and residences.
- ✓ There will be a trial hole to the security barrier on the corner of Horse Guard and Whitehall place, this was programme for last month but did not take place.
- ✓ Ardmore will carry on works in the lightwells at street level.

Managing Construction Impacts

Noise dust & vibration monitors are installed on Whitehall Place and Whitehall Court in line with the Section 61 which and is sent to Westminster City Council every monthly for their information and record.

Noise and vibration levels are monitored and are all within acceptable levels.
